Pathfinder Adventure Path #124: City in the Deep (Ruins of Azlant 4 of 6)

by Amber E. Scott

Death in the Depths

On the trail of an ancient enemy, the heroes seek more information in a merfolk city teeming with intrigue just beneath the

waves. They arrive to find a group of deep merfolk claiming that the city is in the path of a destructive sea monster. But this warning is nothing more than a ruse for the campaign's villain to uncover the location to a secret Azlanti military laboratory. The adventurers must carefully maneuver the social currents of the underwater city and unravel dangerous intrigue to get to the bottom of the merfolk's plot and discover where the ancient enemy is headed so they can stop it.
